ESSENCE

Road of Life (as evolutionary road & Path of Destiny)

Road Guide / Guide from Beyond, guardian being who assists us on our life's journey [see also OK]

Spiral Ladder of Life / Stairway to higher realms / Spiritual Path as road toward higher consciousness / Ascension, Ascendancy [see also AJAW]

Dew Road (path taken by the Life Energy that vivifies all things, that revives and revitalizes all forms of creation)

Conductor of Destiny (conduit for the living energy that propels matters toward its destiny) / Divine (as verb rather than noun)

Quickening (as activation and acceleration of further, higher, expanded consciousness)

awakening & expansion of the Etheric Body or Light Body (crafted from interstellar light present in every living cell) [see also KAWAK]

human form as Path, animated by Higher Mind or Life-Force propelling it toward its destiny / Human Destiny

Human, Vessel for Penetration of Higher Life / human form as Chalice (which holds the Light or Energy of Divinity)

human form that can host infinite expansion / body & mind infused with expanded consciousness,

(where each stage of the journey feels like the final one but then opens in expanded form to the next) / fully potentiated human being

Realm-Connecting Pathways / New Inroads

Channel between individual consciousness and collective consciousness, between human mind and its spiritual source / Stream-of-Consciousness

Tooth Road (link in the form of stepping stones between past generations and the future of humanity - historical link & evolution, between earlier baser lifeforms and higher and more refined future ones - phylogenetic link & evolution) [see also K'AN]

MANIFESTATION

pure unobstructed flow of energy / gliding [see also MEN]

resonant frequency pathway

expansion of one's concept of reality / fluid perspectives

access to spiritual awareness & expanded states of consciousness

answers & information received from beyond the conscious mind / inspiration & revelations / channeling [see also IK', KIB]

wisdom / good advices / guidance coming from within or through someone else

prayer as strong interaction between Spirit and Self / opening one's being to receive

sensation of being altered or rewired

attunement to higher vibrational frequencies (through meditation, trance states, use of crystals, prayer, yoga, dance, ...) / clearing & fine-tuning

'beginner's mind', tabula rasa

resonance (congruent mutual response elicited in bodies of similar structure & frequency) [see also LAMAT, KABAN]

ascension [see also AJAW], elevation

spiraling pathway / stairway / ladder

fluid design

pathways / paths, roads, highways, ... / pathway facilitation vs obstruction

'going with the flow' (manifesting as easy-goingness & casualness)

travel and the experience acquired through it / life on the road

storytelling / stream of consciousness recitation

strong driving ambition

activated inner-self hidden within a peaceful exterior

self-interest vs self-sacrifice / compromise & personal sacrifice / social obligation [see also KIMI / MANIK' / MEN / ETZ'NAB]

generosity, kindheartedness [see also MANIK', OK] / courteousness / keeping personal problems to oneself

healing of rifts through reconciliation between individuals or collective bodies

abundance / harvest [see also K'AN, LAMAT, MEN]

flower nectar / tree secretions (sap, resin, gum, ...) [see also MULUK]

morning dew (as refreshment) vs mildew [see also MULUK]

flowing substances deemed sacred (e.g. water, blood, incense, ...) [see also MULUK]

cyclical return as refreshment

recycling, reusing Earth resources [see also KIB]

healing as restoration of health & vitality

medicinal and other herbal life-enhancing elixirs

acupuncture

flow of movements found in activities such as dance, yoga, Tai Chi, ...

SHADOW

aimlessness (following a path without an objective or goal) / nihilism

self-limitation

resentment (born of compromise or sacrifice made to please others)

poisoning oneself with unreleased anger or resentment / irritation

difficulty in expressing feelings

issues of unfulfillment (never having enough)

fear of material or physical lack

overvaluing vs devaluing the intellect

overintellectualizing / overusing the mind [see also IX]

attempting to fully understand or mentally frame a state of being (leading to confusion & anxiety)

difficulty in trusting
