ESSENCE

Generative Power / Birthing Power / Energy of Birth / that which gives birth to all phenomena

Source of Life / Roots (root source of the Sacred Tree)

latent Creative Power / Creation of the World

Place of Origin / Locus of Cosmic Birth [see also BEN]

Mother Earth as the Primordial Mother, the Power of the Earth [see also IX]

Mother Energy / Nurturance & Nourishment / great reservoir of Abundance, Sustenance, Support [see also BEN]

deep primal trust

Chaos / Earth Dragon, the Primordial Earth Monster / primal depths / Primordial Sea, the undivided Primordial Waters

unity of the Web of Reality / essence of Oneness within all things

energy of form contained within the formlessness of the Primordial Sea / fragmentation of the one in order to create the many

Collective Unconscious (great psychological reservoir from which individual consciousness emerges) [see also AK'BAL]

fundamental Ground of Being (unity from which individuated consciousness emerges) /

primeval biological & psychological foundation / Personal Unconscious [see also AK'BAL]

Beginning / Origin / Genesis / Generation / growth from the core

First Vibration on the Primordial Waters and Cosmic Sea of Consciousness

Emergence (spiraling vortex of eternal emergence from the Primordial Waters of the Great Mystery) [see also KABAN] / Cauldron of Creation

MANIFESTATION

generation, on-going generation / creation / birth / new / first
origination / beginning / emergence [see also BEN]
foundation / 'breaking ground'

sudden burst of energy

Mother energy / nurturing instincts / nourishment, sustenance, support / feeding [see also BEN, KAWAK]
receptivity / act of giving & receiving
basic trust in life and its rightfulness

parenting, child rearing / children & family-related issues
protection of the young / care-giving
patron, patronizing
tribal bonds

physical protection / territoriality & defense of territory / security-related issues
safety / covering such as shelter or roof [see also AK'BAL]

innovation / groundbreaking idea
unusual, strange
eccentric [see also KAN]

unconscious will to live [see also CHIKCHAN]
respect & reverence for life [see also BEN]

dreams & nightmares / original vision vs craziness, madness, lunacy
dark power / possession / hypnosis
lethargy

control of a situation vs being overwhelmed by it

that which addresses the mystery of life's origins and meaning of the universe

SHADOW

issues of primal trust & survival

dependency or co-dependency issues vs oversupporting others

lack-related issues (lack of trust in source of nurturance, lack of self-nurturance) / feeling unsupported [see also OK]
feeling unworthy to receive (stemming from lack of self-worth or self-acceptance)
self-acceptance issues / rejection issues [see also KIB]

food addiction vs anorexia

ASSOCIATION

| | |
|--------------------|---|
| PATRON | Tonacatecuhtli (half of a dual pair, aspect of Ometeotl): original creator god (Lord and Lady of Sustenance) [Aztec] |
