ESSENCE

Water of Life / Raindrop / Source of Life and its universality / Firewater

Jade or Water (precious blue-green Life Energy at the center of all things) / indestructible immortal watery center

power and energy of water & circulation of that life-force / underlying principle of all things

Universal Solvent / Power of Restoration

Fire of Life at the Center / Sacred Ceremonial Fire as offering [see also KAWAK]

Offering (as payment of karmic debts, leading to freedom) [see also KIB]

Emotion (as Blood of Life, the surging of which must be contained and channeled carefully)

Flow (as movement or passage through life, the stream of time)

Principle of Communication

Interconnectedness between all things [see also BEN]

Remembrance (Intrinsic perception of original unity and recognition of one's connection to the larger pattern) or Cellular Remembrance

Beacon of Consciousness / Central Fire of Awakened Consciousness / Enlightenment [see also KABAN, AJAW]

Divine Guidance / Path finding

MANIFESTATION

sensitiveness / responsiveness

changeability / adaptability, malleability
fluidity / flow

strong emotions & feelings (e.g. excitement, anger, happiness, sadness, frustration, ... -
which may run out of control, leading to irrational behavior, impulsive or extreme actions) [see also OK]
issues of self-control / issues of changeability vs control of emotional urges, emotional instability vs healing

imagination / dreams / dream world / fantasy
paranormal & other unusual phenomena
divination / psychic abilities [see also IX, KIB]
emotional depths / intense connection with the subconscious (manifesting as imaginative & artistic abilities)
public performance (as the expressive display of artistic ability or emotion)
strong individual vision [see also K'AN, BEN]

centering (movement toward the center)
cyclic & concentric movement [see also KABAN] / ripples

attention (focused awareness based on the present moment) [see also IX]
signals / signs & symbols of guidance [see also OK, KIB, KABAN] / dedicating time to spiritual practice

oral & written communication
advertising, marketing, targeting
beacon [see also OK] / reception, transmission [see also KIB] / sonar
interdependence / connectedness

karmic charge, karma as sense of debt (manifesting as guilt, remorse, resentment)
karmic payback (leading to liberation from bondage and freedom) / atonement [see also KIB]
borrowing / duty / obligation / liability / responsibility / accountability [see also KIB]
giving (as facilitation of the flow of life) vs unwillingness to give
gathering / collection / counting / measure and units of measurement
accounting / payment, repayment, collecting due / savings, inheritance, ...
monetary system / stock market (based on investment, profit, ...) / banking system (based on debt, interest rate, inflation, ...) / equation 'money = debt'
mitigation, litigation, settlement / fraud
vengeance, revenge, retaliation

passage of time / counting of time and its cycles
drip-water, speleothem (from Greek: 'cave deposit', e.g. stalactites, stalagmites, ...) / fossils, petrified wood, ... / calcification

water [see also CHIKCHAN, KAWAK]
water-based substances in the human body (blood, milk, semen, tears, sweat, ...) [see also EB]
rain, raindrop [see also KAWAK]
rainstorm, cyclone, flood, ... [see also IK, CHIKCHAN, KAWAK]
cloud, mist, dew, frost, ...
natural & artificial water channels (river, glacier, melting snow, ...) (pipeline, fountain, ...)
lake, aquifer table, ...
swell, tidal activity, waves / surfing
surging forth [see also KABAN]
regulating or moderating systems: weather systems, valve controlled release of liquids and gas (faucet, ...)

issues of clarity & purity vs pollution & contamination / cleansing, detoxification, purification [see also IK', CHIKCHAN, KIB, KAWAK]
rejuvenation [see also CHIKCHAN] / revitalizing / energizing / negative ions

S H A D O W

emotional upsets (leading to irrational behavior, impulsiveness, extreme actions)
oversensitivity & reactivity

guilt or resentment

emotional blockage / psychological blankness (leading to feeling of aloneness, isolation, disconnect)
insensitivity or lack of empathy (leading to psychopathic behavior) [see also CHUWEN]

lacking awareness to signs or inattention to them
feeling separated from inner guidance (floating in a river of forgetfulness) [see also OK, KIB]

directing others, imposing one's will [see also IX] / overguiding others

lack of responsibility & accountability

ASSOCIATION

PATRON	Xiuhtecuhtli: god of central fire and time (associated with blood as liquid of life - product of the interaction of water and fire) [Aztec] [see also KAWAK]
MYTHOLOGY	Xiuhcoatl, the Fire Serpent [Aztec]
SYMBOL / ARCHETYPE	Great Fish (shark or whale)
PHENOMENA	water
CONCEPT	Itz (Dew of Heaven, blessed nectar of the gods - e.g. blood, milk, tears, semen, sweat, rain, frost, morning dew, flower nectar, tree sap), carrier of Ch'ulel (soul substance of the universe) that animates, vivifies, revives, and revitalizes all things, propelling matter toward its destiny [see also EB]
OTHER	blood (as liquid of life) [Aztec]
SYMBOL	'firewater' or 'burning water'
OTHER	candle [see also KIB] / beads
CONCEPT	immortality (as the indestructible power of life dwelling at the center) [see also CHIKCHAN, KIMI] / fountainhead
MINERAL	jade, turquoise
