

# 1

## ESSENCE

**Primordial Unity / Indivisible Essence / Monad / Absolute**

**All That Is / Chalice of the Infinite / One Heart (place of Unconditional Love) / Place of Being**

**original energy of Creation / Creator, from whom all things rise / Germinal Principle / Originator of Time & Space**

**Core Vibration / First Thought / First Mover / First Cause (from which all manifestation originates and to which, once its fleeting essence is exhausted, it returns)**

**beginning and ending of all things / foundation of all things**

**all things and possibilities [see also 10]**

**Initiator (that which opens the way) / Point of Departure (holding a future-directed momentum) / Alpha point / First position**

**upsurging and uprising that first gives rise to duality, then to multiplicity, and finally back to unity**

## MANIFESTATION

unity / oneness

emergence / beginning / creation / birth / first

unit / identity

initiation / springing forth / awakening / inspiration

purpose / decisiveness / forcefulness / willfulness / single mindedness

uniqueness / originality / individuality [see also 11]

independence / self-sufficiency

## ASSOCIATION
