

# 12

## ESSENCE

### **Complex Stability**

**Cosmic Order** (all-encompassing type of order, spiritual and temporal, esoteric and exoteric)

**Organizing Principle of Space-Time** (summing up and harmonizing the whole cosmological structure)  
cyclical revolution in space and time

**Gestalt** (shape of an entity's complete form) / **Unified Whole**

**Framework of Connectedness** / **Universal Community** / **Great Council** / greater constellation

**merging of all knowledge** / **generality of thought** / **maintaining a particular system or conventions** (such as time-keeping)

**Polarity Relationship** (conflict and resolution of opposing forces that lead to integrative growth)

**stable yet dynamic foundation for transcendence** / **anticipatory self-containment** (before evolutionary leap) / **stability in expansion**

**strong and reliable framework or platform dedicated to a particular cause or purpose**

## MANIFESTATION

rallying round / regrouping / gathering

interrelatedness

full picture

complexity / complex organization

family / association

recollection / record

dedication

## ASSOCIATION

geometry: dodecagon (twelve-sided regular polygon) / dodecagram (twelve-pointed star)

concept: Zodiac (representing stages of development on the psycho-spiritual path of evolution and individuation)
