

2

ESSENCE

Polarity / Principle of Opposition

Duad, the divided terrestrial being / Dualism (basis of all dialectic, endeavor, struggle, movement and progress)

Separation (e.g. light from dark, good from evil, ...)

Loom of Reality (upon which reality is strung) / Reflection

motivator of differentiated development and progress

engagement of 2 opposing forces (their conflict and subsequent reconciliation that gives movement and life)

Complementarity

balanced accord [see also 6]

Bonding (as joining or union of opposites)

MANIFESTATION

polarity / duality (e.g. dual nature of man, ...)

cooperation / relationship / partnership / complementarity / dependence

response / reception / reflection

contradiction / alternation / balance

dynamic equilibrium / balance [see also 6]

confrontation / opposition / challenge / conflict

bond vs separation / division vs reconciliation

desire vs recoil / attraction vs repulsion

uncertainty / in-betweenness

ASSOCIATION

geometry: length

symbol: yin-yang

symbol: Caduceus [Babylon, Greece, ...] [see also 5]
